PROFESSIONAL EXPERIENCE

Administrative Assistant - Billing and Claims / Records Management Officer | Rizal Medical Center | *Nov 2022 - Present*

- Process denied claims and return-to-hospital claims, coordinate requirements, and support resubmission workflows for revenue recovery.
- Prepare claims reports, consolidated summaries, and documentation for PhilHealth claim submissions and internal monitoring.
- Maintain claims files, document control systems, and healthcare records with accuracy, confidentiality, completeness, and compliance.
- Serve as appointed Records Officer, supporting records organization, retrieval, tracking, retention, and secure document handling.
- Assist department coordination, meeting documentation, internal communication, and workflow improvement across billing and claims.

Administrative Aide VI - Cancer Registry Support | Rizal Medical Center | *Jul 2022 - Oct 2022*

- Collected cancer patient data from hospitals and municipalities across Rizal and NCR South for Cancer Registry documentation.
- Sorted, reviewed, and verified patient records before system tagging, registry processing, and ICD coding support.
- Coordinated with hospital and municipality sources to validate submitted information and maintain organized patient data files.

Virtual Assistant - Operations and Data Support | Mainely Grass | *May 2023 - Jul 2025*

- Maintained CRM and operational records, technician updates, administrative data, and remote business documentation.
- Performed GIS mapping for service planning and assisted with soil test processing, reporting, and operational data updates.
- Prepared daily technician reports, supported sales coordination, and improved workflow tracking and team visibility.

Data Research Analyst / SEO Specialist | E-Pro Insights Back Office Solutions Co. | *Nov 2021 - Feb 2022*

- Managed e-commerce data and product listing updates across Amazon and eBay storefronts.
- Prepared ROI, sales, and performance reports in Excel to support operational and business decisions.
- Optimized product listings using SEO keyword research, structured product details, and marketplace content updates.

Sports Game Indexer and QA | M&M Data Processing Corporation | *Nov 2018 - Mar 2019*

- Tagged basketball game data, performed QA checks, identified inconsistencies, and maintained accuracy under strict deadlines.

Sales Clerk | SM Home | *Aug 2016 - Jul 2017*

- Supported customers, inventory inquiries, sales transactions, product displays, and merchandising standards.
